

Learning Focus / Common Core Essential Elements:

- Reading: Informational text
- Speaking and listening
- Language

Learning Level:

- Essential
- Intermediate
- Advanced

Materials:

- Bingo visual strip (provided)
- Blank bingo boards (provided)
- Bingo images (provided)
- Bingo markers (stickers, bingo daubers, or dry erase markers)
- Bag

Preparation:

1. Print, laminate, and cut the bingo visual strip.
2. Print and cut out:
 - a. Blank bingo boards (1 per student)
 - b. Bingo images (1 set per student)
3. Students cut out the images and glue one image in each square on the blank bingo boards.
Optional: Laminate completed bingo boards for future use.
4. Cut out and laminate one complete set of bingo images as the master card set.
5. Place the master card set in a bag for the "caller."

Instructions:

1. Choose one student to be the "caller," who then:
 - a. Selects a card from the bag
 - b. Says the item (i.e. menu, table, etc.)
Optional: The student holds up the card while naming the item.
2. Students use their marker to "mark out" called cards.
3. Students call out, "Bingo!" when a row or column is completed.
4. Have the visual strip on hand and refer to it throughout the game to guide students.

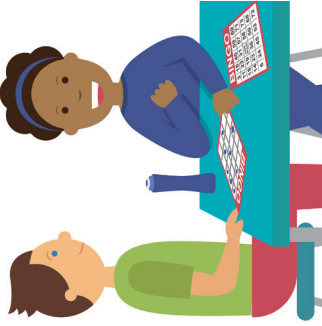

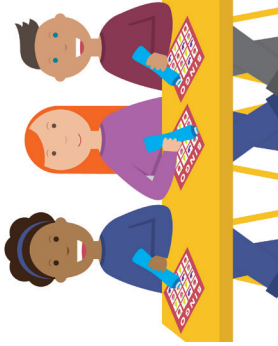

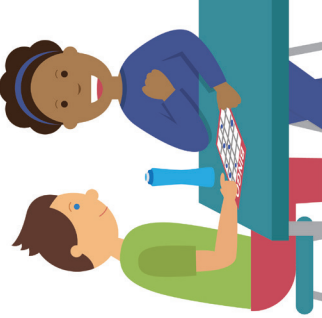

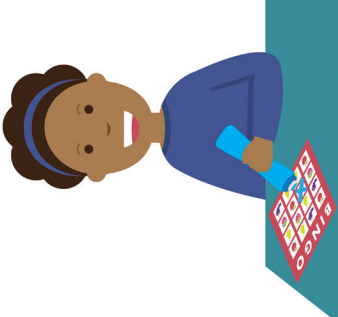

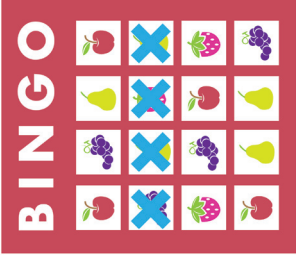

Considerations:

- Play "blackout" bingo and everyone wins.

Suggestions for Differentiation:

- **Essential:** Model the steps of the game with the cue, "Do this."
- **Intermediate:** Reference the visual strip to teach students how to play the game.
- **Advanced:** Encourage students to state what they are doing for each step of the activity using complete sentences and their mode of communication. Ask students to answer simple open-ended questions related to the activity and encourage students to answer using complete sentences and their mode of communication.
