Looking for materials and resources to help your child practice skills at home? These activities and worksheets are available to download or print. You can also access these activities through our SOLS (STAR Online Learning System) REELs. SOLS REELs are interactive presentations that will guide you through appropriate activities for your child.

Visual supports can help your child learn what to do in social situations or help them handle transitions better at home or in the community.

Click on Home Supports for access to find supports for behavior, staying safe and healthy, learning from home, social skills, and family routines or family activities.

Want to learn some quick strategies for teaching your child routines or motivating them at home? Click on Home Support Webinar for access to six short informational sessions. These include information on:

**Routines • Motivation • Schedules • Visual supports
Prompting • and more!**
