

**Links® Getting Started Checklist**

Activity	Completed	To-Do (Action Plan)
<b>1</b> Add students into the Links online system.		
<b>2</b> Select two priority routines per student.		
<b>3</b> Individualize the selected routines for each student. Identify the cue for each step, and modify steps if necessary.		
<b>4</b> Print off the Observed Routine Assessment (ORA) form.		
<b>5</b> Collect baseline data on each routine.		
<b>6</b> Complete the Lesson Assessment. Print: Lesson Plans, Instructional Data Forms, Sequential Learning Steps, and Links Lesson Summary. <i>Hint: Select at least one lesson in each of the five columns.</i>		
<b>7</b> Print and/or create visuals for each routine and lesson plan.		
<b>8</b> Provide staff and students a consistent daily schedule that reflects classroom and individual routines, and times for lesson instruction.
