DT Observation

DT Observation Guidelines:

1. When observing in the classroom, it is important to not cause any disruption to the session. Please do not ask the teacher questions, stand too close to the area, or provide feedback to the student.
2. If the student has difficulty focusing on the lessons and is looking at you, move away and ask the coach to find a different session to observe.

Observation Instructions:

1. Review the sequential learning steps and DT teaching procedures charts (attached).
2. Complete the chart below noting the strategy and what you observed.
