

Ice Cube Painting

Materials Provided:

- None

Materials Needed:

- White heavy card stock paper (1 sheet per student)
- Ice cubes (1–2 per student)
- Cups (1 per student)
- Foil
- Tape
- Paint (a variety of colors)
- Bowls (1 per paint color)
- Droppers (2–3 per paint color)
- Paper towels

Preparation:

1. Print the step-by-step guide with detailed instructions.
2. Cover the students' work area with foil.
3. Pour paint into bowls, and place 2–3 droppers in each bowl for students to share.
4. Put the ice cubes into a cup for each student, and place paper towels nearby for students to access.
