

Recycling Tools - Recycling Job Schedule - Essential

Instructions:

- I. Use the fillable PDF to type in the day of the week on the Recycling Job Schedule.
- 2. Type the room numbers in the fillable *Room Number Template*.
- 3. Print and laminate the Recycling Schedule Essential and Room Number Template (I schedule for each day students will be recycling).
- 4. Attach velcro to each blank space on the schedule.
- 5. Attach velcro to the back of each room number.
- 6. Write "Finished" on an envelope and attach it to the back of a clipboard (I for each student using the essential Recycling Schedule).

Tip: A student most likely requires the essential *Recycling Schedule* if they use a visual schedule with removable icons.

Recycling Tools - Recycling Job Schedule - Intermediate/Advanced

Instructions:

- I. Use the fillable PDF to type in the day of the week and the classrooms to be recycled (I for each day students will recycle).
- 2. Print and laminate each Recycling Schedule.
- 3. Cut out the schedule and use a hole punch to punch a hole in the top center of the schedule. Put a lanyard through the hole. Students wear the schedule around their necks for hands-free recycling schedules.

Tip: A student most likely requires the intermediate/advanced *Recycling Schedule* if they use a check-off picture or written schedule.
