

STAR Autism Support

Working Together

STAR Autism Support is hosting a FREE webinar!

When: May 17, 2023 – 3:00 PM CST

Topic: Working Together: Increasing Communication Opportunities at Home and in the Community

Presented by: Aimee Dearmon M.S. CCC-SLP, BCBA and Cami Ferguson M.S. CCC-SLP, BCBA

Description:

Individuals with autism communicate wants and needs through various modes of communication, and there are many ways to increase language opportunities at home and in the community. In this session, caregivers and educators will learn how to create opportunities throughout the day to practice verbal and nonverbal communication skills, as well as how to respond to communication attempts in ways that increase motivation.

Registration:

Please [click here](#) to register in advance for this webinar. After registering, you will receive a confirmation email containing information about joining the webinar. Registration will be limited to 1,000 participants. If you are unable to attend, you will receive a link to the recording and have access to watch the event for two weeks. A certificate will be provided within one week of the webinar and can be requested for those who watch the recording.

Giveaway:

All registrants who attend the LIVE webinar will be entered in a raffle to win a learning tool kit. This tool kit includes reinforcers, a token board, a variety of visual supports, and several options for independent work tasks. The winner will be emailed and announced within one week of the webinar!
