Preparation:

1. Print, laminate, and cut out the sequence strip or large sequence panels.
2. If using the large sequence panels, arrange the images in order and tape them together.
3. Print Sides A and B of each question and answer board, assembling each board by taping the two sides together. For durability and re-use, consider laminating the boards.

Helpful Learning Tools

- Use the corresponding digital REEL as an alternative or complement to the printable materials.
- Review the Learning Differentiation Guide to individualize this lesson for each student's learning level.

Instructions:

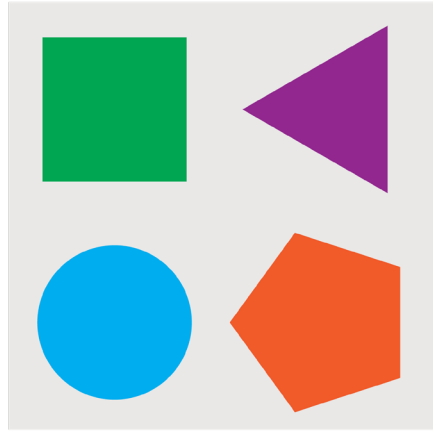

1. Review the activity sequence strip.
2. Select a student or ask for a volunteer, and read them the question. Rotate which question you ask each student weekly.
3. Show that student the visual answer choices on the question and answer board.
4. Prompt the student to respond by pointing to a picture, verbally stating their answer, and/or using augmentative communication.
5. Repeat Steps 2–4 until all students have answered the question.
