- Emphasize the difference between ending punctuation:
 - » Use a period if the sentence tells you something.
 - » Use a question mark if the sentence asks you something.
- Encourage students to follow rules of grammar: Start sentences with capital letters, put spaces between words and use punctuation marks.
- Instructor or peer dictates a sentence and student writes from dictation.

TEACHING IDEAS FOR INDEPENDENT WORK

- When working through this lesson, use a structured work system to encourage independence. Ideas for structured work systems can be found in Routine Essentials: Independent Work Systems.
