TEACHING IDEAS FOR CENTERS

- Encourage students to touch and say the picture when matching the pattern. Alternatively, students can repeat after the instructor once the instructor says the name of the picture out loud.
- Use hand motions to copy the pattern (i.e. lion - touch head, mouse - clap hands).

TEACHING IDEAS FOR INDEPENDENT WORK

- When working through this lesson, use a structured work system to encourage independence. Ideas for structured work systems can be found in Routine Essentials: Independent Work Systems.
- **Please note:** All tasks presented during independent work should be tasks the student can complete without additional prompting.
