It's Spring

Centers/Independent Work: Math – Spring Patterning 2

Level 2
File Folder Task 2.5

Objective:
This activity supports individual learning outcomes as students complete tasks at their own levels, reinforcing symbol recognition, matching, and counting.

Materials:
- Spring patterning 2 pages (provided)
- Spring images (provided)
- Scissors
- Glue
- Velcro
- File folder

Instructions:
1. Print the spring patterning 2 pages and spring images.
2. Glue the spring patterning 2 pages to the top and bottom of the file folder.
3. Laminate the file folder.
4. Laminate and cut out the spring images.
5. Attach velcro to the back of each spring image.
6. Attach velcro to the blank boxes on the spring patterning 2 pages.
7. Laminate and cut a blank piece of paper. Attach velcro to the page for image storage. Store laminated images inside the file folder.
   a. Alternate image storage: Glue an envelope to the back of the file folder *prior* to lamination. Cut a slit in the envelope to store the images.

For an example of the finished lesson, please see below.

Centers/Independent Work: Math – Spring Patterning 2

Level 2
File Folder Task 2.5

TEACHING IDEAS FOR CENTERS

- Encourage students to touch and say the picture when matching the pattern. Alternatively, students can repeat after the instructor once the instructor says the number out loud.
- Use hand motions to copy the pattern (i.e. bulb - touch head, dirt - clap hands).

TEACHING IDEAS FOR INDEPENDENT WORK

- When working through this lesson, use a structured work system to encourage independence. Ideas for structured work systems can be found in Routine Essentials: Independent Work Systems.
- **Please note:** All tasks presented during independent work should be tasks the student can complete without additional prompting.
