

# Changing Activities

## Student Supports: Written Schedule Template

### Instructions:

1. Print and laminate the schedule.
2. Using a dry erase marker, write in daily activities.
3. The student uses the schedule to transition between different activities throughout the school day.

### Considerations:

- If the schedule does not change daily, write in daily activities, and then laminate.
- If preferred, type in the daily activities using the fillable PDF.
