

Chore Chart

Chore	Family Member	Day of the Week	Finished

This chart can be used to assist the family in creating a weekly chore chart. Write the chore that needs to be completed in the first column. The next column should have the family member's name written that will be completing the chore. The third column allows the chore to be assigned for a specific day. Lastly, a check mark or X can be placed in the finished column after the chore has been completed. This chart can be completed weekly.
